2. Any complaint will be investigated and we will endeavour to send a final response or a progress report within 4 weeks

Contracts for Difference (CFDs) are leveraged products and carry a high level of risk to your capital as prices may move rapidly against you. Be Aware: You can lose all, but not more than the balance of your Trading Account. These products may not be suitable for all clients. Please ensure you understand the risks and seek independent advice.

3. Where a final response is not possible within 4 weeks, we will attempt to finalise within 8 weeks. If we are unable to provide a response within this timeframe, we shall write and explain why and advise when a final response can be expected.
4. At all times, we shall treat customers fairly and with transparency in accordance with the FCA's Treating Customers Fairly ("TCF") protocol.
5. Should more than 8 weeks pass without a final response, or the customer is dissatisfied with the final response (or at any stage through the process) the matter may be referred to the Financial Ombudsman Service (FOS). The complaint must be referred to the FOS within 6 months of the date of the final response letter.
