Risk Warning and Disclaimer

Trading financial instruments carries a high level of risk to your capital as prices may move rapidly against you. 84% of retail investor accounts lose money with this provider. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money. Be Aware: You can lose all, but not more than the balance of your Trading Account. These products may not be suitable for all clients therefore ensure you understand the risks and seek independent advice.
